

Dundana Elementary School Read-A-Thon

March 2024

Dundana's School Council is delighted to launch the **Dundana Elementary Read-A-Thon**, which encourages school-wide reading and fundraises for our school library!

Here's how to get started:

How to Participate in the Dundana Read-A-Thon

Please see the Read-A-Thon Participant Sheet on the reverse of this handout. Your child can complete any one—or all!—of the reading goals, which provide variety and opportunities for readers of all ages. Completing 1 goal minimum is necessary to participate in the Read-A-Thon. Each goal completed enters your child in a draw to win a prize. Prizes include gift certificates for this spring's Scholastic Book Fair. Winners will be announced following the Read-A-Thon at the end of April.

Please complete the Read-A-Thon Participation Sheet and return to your child's teacher, or scan and email to **dundana.readathon@gmail.com**, beginning March 31st and no later than Friday, April 5th.

Please fill out a separate sheet for each child in your family that is participating.

How to Support the Dundana Read-A-Thon

While you don't need to make a pledge to participate in the Read-A-Thon, we greatly appreciate all donations to support our school library! All donations should be made through SchoolCash Online (you'll receive email notifications throughout March); unfortunately, we cannot accept cash donations. There are a range of suggested pledges—\$5, \$10, and \$20—and any amount can help make an impact in acquiring new resources for our school library.

Any questions? Please feel to get in touch with Robyn Read at **dundana.readathon@gmail.com**

Wishing you and your child a happy month of reading!
