

Piano Instruction

We have again had a wonderful response to the piano program offered at Dundana this year! This program is designed primarily for beginner students from grades 2 to 5 who are interested in learning the basics of piano under the guidance of a trained and accredited piano teacher in a semi-private format within the school and during school hours. Although the program is full for this September, you are highly encouraged to reach out if you'd like your child placed on the wait list for subsequent years! Students are accepted on a first come first served basis, from my wait list. Please email miriamrjanssen@gmail.com for more information. This is not a board supervised program.
