

Dear School Community Member,

I hope this message finds you well. As we approach the 2025 Dundas Terry Fox Run, I am reaching out to seek your support in making this year's event a resounding success. Scheduled for Sunday, September 14, 2025, the Dundas Terry Fox Run continues to be a significant community event that honors Terry Fox's legacy and raises vital funds for cancer research.

How You Can Help:

1. Recruiting Volunteers:

We are in need of enthusiastic volunteers to assist with various roles on the day of the event, including kids' activities, course marshaling, and refreshments. Your students and staff can make a meaningful impact by dedicating their time to this cause. We are happy to provide paper or digital posters to help promote the volunteering opportunity.

2. Forming Teams:

Encouraging your school community to form teams to participate in the run is a wonderful way to promote physical activity and community spirit. Teams can walk, run, or participate in any way they choose, all while supporting cancer research.

Why It Matters:

The Terry Fox Run is a non-competitive event that emphasizes participation over speed, making it accessible to all ages and abilities. It serves as a powerful reminder of the importance of perseverance, community, and the ongoing fight against cancer.

Should you require any additional information or assistance, feel free to contact me directly.

Thank you for considering this opportunity to inspire and engage your students in a cause that unites us all. Together, we can continue Terry's Marathon of Hope and make a lasting difference in the fight against cancer.

Warm regards,

Brian Mason
