It is unbelievable how quickly the months are flying by. As we move into the chillier months and the days are getting colder, I would like to remind everyone that we go outside every day; please dress accordingly.

On October 30, 2018 we sent the progress reports home with each student. The progress report is a brief overview of your child's progress to date in academic subjects and an indication of progress in the Learning Skills area. Teachers will be available on Thursday November 1st, 2018 in the evening and on Friday November 2nd, 2018 in the morning for interviews. Please contact your child's teacher directly to organize interviews.

### Information Items:

- ◆ The safety of your children is our number one concern. When visiting the school, please use the Main entrance (off the playground). Once you have been buzzed into the school please report immediately to the office to sign in and borrow one of our visitor nametags. Please remember to sign out when you are leaving. If you are picking your child up for an appointment please report to the office and we can call your child down for you if they are not already waiting.

### Inside this issue:

- Principal's Desk 1 & 2
- Home & School 2
- Sock Fundraiser order form 3

- ◆ Our students are outside throughout the day for Phys-ed and DPA. Often they warm up by running around the perimeter of the school. We ask that if you are driving around the school, especially near the parking lots, you pay special attention to our students who are often running in the area.

- ◆ This is a friendly reminder that Dundas Central is a **nut free school**. Please refrain from sending nuts and nut products to school as we have many people who have very serious allergies. Similarly, we ask that students not use their Axe body spray in the hallways as this can cause breathing difficulties for people who have fragrance allergies and sensitivities.

- ◆ Also, please be respectful of those that are either allergic or afraid of dogs and keep your pets off of the school property.

- ◆ **Please** support our sock fundraiser (order form on next page). All proceeds from this fundraiser will go towards our new Maker Space Area and Technology for our school. **Note that the order and payment due date have been extended to November 12th and these socks will be delivered before Christmas.**

- ◆ **Lost and Found!!**

We are trying to minimize the amount of lost and found items in our school. Lost and found items are placed in a bin outside of the office door daily. Please check the bin if you are missing something. Every **Friday** the lost and found will be put outside on the playground by the office doors at the end of the day, please check this rack to see if any items on it belong to your child.
