Dear Yorkview and Dundas Central School Communities,

Please join me in congratulating Mrs. Milinovich on her recent promotion to the role of Principal in our Board. Effective February 1st, 2022, Dundas Central and Yorkview Schools will no longer be twinned. We are delighted that Mrs. Milinovich will become Principal of Yorkview School on this day.

There is so much goodness in all experiences when we look for it. Twinning has provided our school communities the opportunity to align processes for Grade 6 transitions, collaboration among staff at both sites, and a sense of community that reached beyond our school yards. Both Mrs. Milinovich and I are grateful for this time together and look forward to continuing the heart-based approach between our schools.

Gratitude to our School Council Chairs and members of our respective School Councils for their continued support during this time, and to the staff and students who maintain an open stance in teaching and learning as we greet each school day.

With the highest regard for all,  
Laura Bartkiw,  
Principal Dundas Central School
