★ SNACK BAR

Our Snack Bar will feature treats and sweets to enjoy as you wander. Want to skip the line up? Pre-order through School Cash Online, and we'll have it labelled + ready for pick up! Pre-orders are available May 2nd – May 9th, and walk-ups will be welcomed at Open House.

★ BOOK SWAP

Student Council is collecting gently used books for school aged kids (Kindergarten to Grade 8) from May 2nd – May 10th and will have them set up for the Book Swap on May 12th. New books will be added throughout the evening, so stop in whenever you have a moment!

★ CLASSROOM VISITS

Let your child be your tour guide to show you the highlights of their daily life at school! Walk through a typical day together, meet the teachers who encourage them + the friends they have made this year. Please note that this is not an opportunity for parent teacher interviews or updates on student progress. If you would like to schedule a chat, please reach out to your child's teacher to organize a time.
