

HWDSB Equity Committee Information

HWDSB is committed to identifying and eliminating systemic barriers from schools and classrooms to enhance student and staff well-being. In support of this commitment to creating an equitable, inclusive, accessible and supportive environment, the Board of Trustees is establishing a Human Rights and Equity Community Advisory Committee.

HWDSB is currently seeking volunteer members for the Community Advisory Committee. The committee is seeking community organization, parents, students and community members as committee members. Applications will be accepted until October 15, 2018. Please consider applying by using one of the attached application forms.
