Literacy waived

# Community Involvement

## Alternatives that are eligible for 21-22 school year:

- • Activities that take place during the time allotted for the instructional program on a school day (e.g., walking a younger neighbour or sibling to and from school, helping younger siblings with their homework);
- • Activities that include up to 10 hours of paid work\*, with the requirement to complete a reflection exercise indicating how their work contributed to service for others (e.g., grocery work during the pandemic);
- • Activities that consist of duties normally performed in the home (e.g., students could help an elderly relative with errands, provide after-school care for a sibling).

\*In Hour Republic, enter these as Volunteer Hours and use your employer as the supervisor (tell them first!) and email your Guidance counsellor the reflection about what you learned on the job.

# Commencement vs. Graduation

- Commencement: ALL Class of 2021 grade 12 students participate in Commencement, whether officially graduating, or not. We are giving feedback to the board that a commencement is our preference – if you get a chance to give student voice, please take the opportunity to do so.
- Official January/June graduates are eligible for graduation awards and scholarships

# Grade 12 Individualized Appointments

Every grade 12 Student will have an individualized appointment with their counsellor on MS TEAMS to review grad requirements, pathway plans, post-secondary dates, etc.

We will book the appointment – please let your teacher know in advance that you will need to slip out of class for 15 minutes.

Attend the meeting in a quiet place (in the hall or at home)

To prepare for your appointment, make sure you have looked at different programs and the Guidance 2122 Hub course
