Hello Gryphons,

We missed a letter last week because it was a P.D. Day! Our P.D. was focused on Equity, both in society and in education; we used part of our department time to think about what barriers there are for you as grade 12's looking toward post-secondary education and the world of work.

We would love to hear from you! If you would like to share with us what barriers you have faced in secondary school, or in preparing for your post-secondary pathway, we would like to understand more so we can help you and others who follow you.

Please reach out to us through email or by booking an appointment – we love hearing student voice!

Post-secondary Applications

- ❖ We have completed our application tutorials but know there may be some of you who were unable to participate due to unforeseen circumstances or pathway changes – please reach out if you have questions and/or concerns.
- ❖ We see more of you applying every day, and encourage you to keep researching, attending virtual school and program orientations, and meeting deadlines with your applications.
- ❖ Once you have applied, please check your grades and courses and email Ms. Indelicato at dindelic@hwdsb.on.ca if there are changes to be made. Remember, she can only make the changes after you have paid for your application. Ms. Indelicato will be on holiday over the Winter Break, so she can update in January if you apply over the break.

Sincerely,

Your Guidance Team
