Hello Gryphons,

POST-SECONDARY APPLICATIONS

If you have applied, have you checked OCAS and OUAC to make sure your courses and grades are accurate? Please email Ms. Indelicato if there are errors or omissions that need to be corrected.

March Break is OPEN HOUSE time for colleges and universities – if you are still undecided, or you are taking a GAP year, please check out the dates for the schools you are interested in and attend – even if you only learn a few new things, it is worth your time!

University applicants, check this out...

XELLO

Please help us by completing your course planner in Xello by March 4th when the window closes.

Add Grade 13, and select complete one of the following:

- a. Not returning (if you are moving on)
- b. Enough courses for semester 1 and NORET2 to force them into semester 1
- c. If you have not yet graduated or have an IEP, you may select enough courses for a full year

If you do not select courses in time, we will assume you are not returning and default to Not Returning.

Have a great week!

Your Guidance Team
