Global CONNECT

If you are a grade 12 student who took Global CONNECT last year and missed the meeting (we forgot it was a flex day) please see Mr. Toth or your Guidance Counsellor for more information.

PROM PROJECT

Here are some details about this year's event:

1. It will be held at Sir Winston Churchill on Saturday May 7th only.
2. To prevent overcrowding, students will need to register online for a one hour time slot. Walk ins will not be accepted.
3. The first time slot begins at 9am and 100 students are permitted per time slot. Availability is on a first come, first serve basis.
Students can see how many spots are left in each time slot when they register.
4. There will be a 30-minute break between each one-hour session to allow for cleaning.
5. Each student can only bring ONE support person/caregiver. Please ensure students know this information.
6. Students will need to enter their school name and grade when they register online.
7. Due to Covid, there will be no hair or make-up sessions this year.
8. No swag bags this year.
9. Students who require minor alterations will be given a ticket to wait in a different area of the school.
10. Check the following Prom Project social Media sites for updates on Wednesday.
