Course Selections for 2025-2026:

Students will be using a new program for HWDSB, myBlueprint, for their course selections. This replaces Xello which has been used for the past few years.

Students can access myBlueprint on their HWDSB student main page by going to [HWDSB Students](#), logging in and selecting:

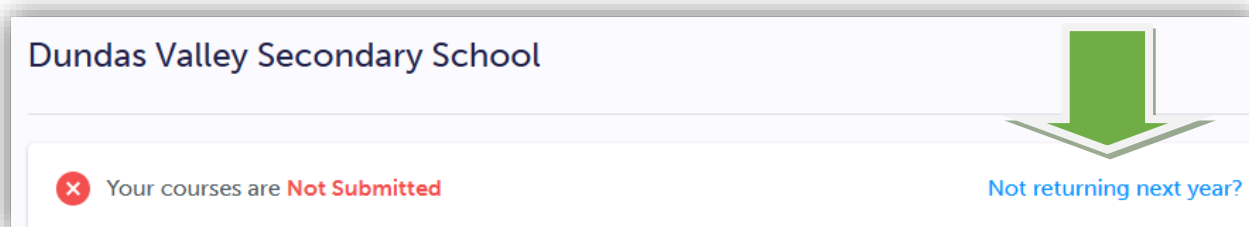

From the landing page, students will scroll down and select “[Dundas Valley Secondary School](#)” under “High School Progress”:

This will open the course selection page, and students can start filling in their courses for next year.

All students must complete their course selections in myBlueprint. Grade 12 students who are not returning will click the “[Not returning next year?](#)” link and follow the prompts.

Important dates for course submissions:

February 5, 2025

First day that myBlueprint opens for submissions.

February 21, 2025

myBlueprint closes for submissions

HAVE YOU APPLIED TO UNIVERSITY OR COLLEGE?

Remember:

- ☐ Check your programs for deadlines for supplementary applications (not all programs have supplementary applications)
- ☐ Programs have different timelines for offers of admission: some have made offers already, some start in February, others might wait until March
- ☐ If you don't get an offer: there are second rounds of offers sent in May

Have a wonderful week!

Your guidance team...

Ms. Warren, Mr. O'Connor, and Mrs. Indelicato
