

LOOKING TO THE FUTURE...

How do I research post-secondary programs?

1. College programs

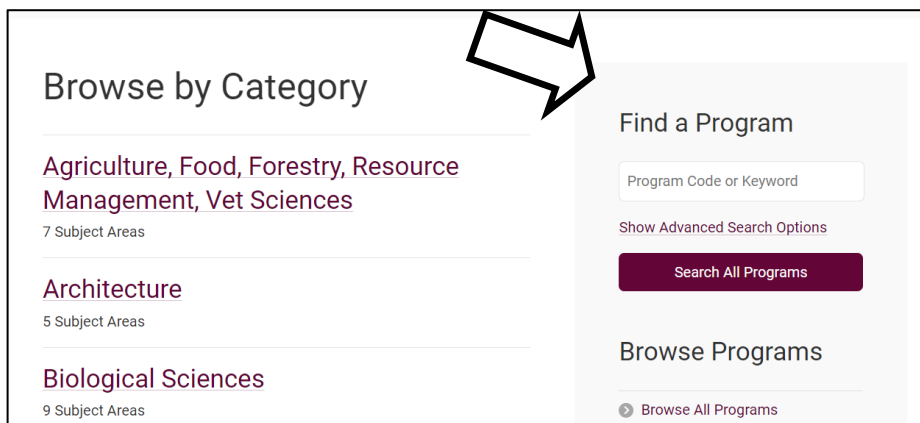

www.ontariocolleges.ca – link is on the Guidance HUB course page

1. Click on “Programs” from the top menu, and then search a program (e.g. “nursing”).
2. Click on the Website for the program.
3. Look for and click on the word “admissions”: this will tell you what grade 12 courses you need.

2. University programs

Welcome to Ontario Universities' Info – link is on the Guidance HUB course page

1. Click on “Program” from the top menu and enter your search term under “Find a Program” (e.g. “Business”)
2. Click on the program title
3. Click on the tab labelled “requirements”: this will tell you what grade 12 courses you need.
