### Grade 10 English

Grade 10 ENG2D1 1 Credit Academic

This course is designed to extend the range of oral communication, reading, writing, and media literacy skills that students need for success in their secondary school academic programs and in their daily lives. Students will analyse literary texts from contemporary and historical periods, interpret and evaluate informational and graphic texts, and create oral, written, and media texts in a variety of forms. An important focus will be on the selective use of strategies that contribute to effective communication. This course is intended to prepare students for the compulsory Grade 11 university or college preparation course.

# Where to go to select Summer School

The screenshot shows a student account interface. At the top right, it says "Student Account" with a bus icon. Below that, there is a dropdown menu set to "Gr. 8", a "250 points" badge, and a notification bell icon. On the left, a dark blue sidebar contains a menu with icons and labels: Home, Who Am I, High School, Continuing Education (highlighted with a yellow arrow), Post-Secondary, Work, Money, Guides, and Favourites. The main content area is titled "Continuing Education Courses" and features a card with the heading "Continuing Education". The card text reads: "We believe in lifelong learning that continues beyond the regular school day, beyond school age, and beyond the regular classroom. A number of programs are offered for students and community members to support this belief." Below the text is a blue button labeled "Explore Courses". To the right of the text is an illustration of a person sitting at a desk with a laptop, writing in a notebook, with a lightbulb above their head.
