If you would like to be considered for the Global Connect Award (you must have taken Global Connect – GPP3O), please email Ms. Warren (jwarren@hwdsb.on.ca) with your answers to the following four questions. If you have already sent in your answers, we have them!

1. **Global CONNECT** students learned many leadership skills in the class. How have you continued to show leadership in the last year since your course ended? Your examples can relate to leading at school, in the community, or even nationally or globally.

You can give examples from your school curriculum, media you have watched, books/articles you have read, or any other learning outside of school.
3. In **Global CONNECT**, you focused on contributing beyond the average student to your community. How have you contributed to the community beyond the required Community Involvement hours?
