Pre-apprenticeship training

If you're interested in working in a trade but don't have the skills or experience to get a job as an apprentice, you can apply for this training.

How it works

You can get this training through different organizations, such as colleges or community agencies, across Ontario.

It's free – costs for textbooks, safety equipment and tools are also covered.

The training goes for up to 52 weeks and starts at different times throughout the year.

You can receive:

- safety training for skilled trades
- training to improve your academic skills
- basic level apprenticeship in-school training

Pre-apprenticeship training also includes a work placement for **eight to 12 weeks**.
