The screenshot shows a student account dashboard. At the top right, it says "Student Account" with a bus icon. Below that, there is a dropdown menu set to "Gr. 8" and a badge showing "250 points" with a heart icon. A notification bell icon is also present. On the left side, there is a dark blue sidebar with a white 'm' logo at the top. The sidebar contains the following menu items: Home, Who Am I, High School, Continuing Education (highlighted with a yellow arrow), Post-Secondary, Work, Money, Guides, and Favourites. The main content area is titled "Continuing Education Courses". Below this title, there is a section titled "Continuing Education" with the text: "We believe in lifelong learning that continues beyond the regular school day, beyond school age, and beyond the regular classroom. A number of programs are offered for students and community members to support this belief." Below the text is a blue button labeled "Explore Courses". To the right of the text is an illustration of a woman sitting at a desk, writing in a notebook, with a laptop and a cup of coffee nearby.
