

Ukulele Lessons at Earl Kitchener!

Hey kids in Grades 4 and 5 (and your parents, too!)

Mark Caruana, an EK parent and guitar/ukulele teacher, will be returning this year to run an 10-week Ukulele Program and we want to know if you are interested.

Once Mark finds out how many students are interested, he will contact your family directly to confirm your registration.

When? Wednesdays and/or Thursdays after school from 3:15 - 4:00 pm in the School from Oct. 7/8 to Dec. 9/10

How much? The 10 week program costs \$150/student and includes a book and digital tuner. (to keep)

I don't have a ukulele....can I still join?

YES! Using money raised from the 100th Anniversary CD, EK bought Ukulele's which can be used for lessons and borrowed for practicing at home. Students can also purchase a Ukulele for \$35 directly from Mark.

Interested in joining?

Please fill this in and return it to your child's teacher OR e-mail directly to Mark at mejcar@gmail.com by **Tuesday, September 29th**.
