30 (Day 3)  November Birthday Cupcakes				

Don't Forget!

Attendance...please help us out by calling the school if your child is absent or late. You can call at **ANY TIME** with this information (name, class, and reason). This will ensure that the absence is recorded properly. Please try to call before 9:00 a.m. on the day of the absence at **(905) 528-0223**. Thank you to the many parents who have been calling in on a regular basis when their child is absent from school. Your call is very much appreciated.

As you can appreciate, the office at *Earl Kitchener* is a very busy place — as you can imagine with well over five hundred (500) students. We are trying hard to limit classroom interruptions during instructional time. As a result, we encourage parents to make use of the student agendas for reminders to students and to notify teachers of any changes.

How Parents Can Help:

- If you have information that needs to be given to your child's teacher, it would be very helpful if you could write a note in the agenda;
- If you are running late, please phone ahead. This ensures that we are aware of your child's whereabouts and will not make unnecessary calls to worry parents; and
- Please have child care arrangements made well in advance and ensure your child(ren) know(s) who is picking him / her up. The office phones are extremely busy at the end of the day and we cannot ensure that your child(ren) will be notified.
