

*A presentation for parents and educators from **Steve Chapelle**.*

# PARENTING THE SOCIAL MEDIA GENERATION

Tuesday April 19  
6:30 - 7:30 pm  
Earl Kitchener  
ES library

Attendees will be introduced to methods and features for improving privacy and minimizing risk to children and the family. Social media activities will be examined from an Android and iOS perspective.

Please respond to Earl Kitchener ES by April 12 if you plan to attend. Childcare is available but the presentation is for parents and caregivers-only.

Steve Chapelle has been helping Ontario families protect against internet-based risks since 2006.
