## **FREE Parent Workshop**

### **Enrichment Opportunities for Students**

Parents play a crucial role in their child's education. Encouraging them to participate in French-language activities will enhance their self-confidence and proficiency with the French language and increase their options for post-secondary studies and employment options. Come learn about some amazing opportunities that your child can benefit from this year!

*"Furthering bilingualism by promoting & creating opportunities for students to learn and use French."*
