- Parent Council 7 p.m.

Thursday, January 18th: Day 4

- Nutrition Program (apples and cheese)
- Lunch Lady, 2nd nutrition

Friday, January 19th: Day 5

- Crazy Hair Day!

UPCOMING.....

Thank you very much for the generous donations to Wesley's Christmas and Holiday Store. Your contributions helped to brighten the holidays for many people in our community!

Hello from the library!

The Silver Birch Reading Club will be starting soon. This club is part of Canada's largest recreational reading program. This initiative of the Ontario Library Association helps celebrate Canadian books, publishers, authors, and illustrators.

The idea is for students to choose a category of books (Fiction, Non-Fiction, or Express which is a combination of both) and read at least five books in that category by the end of April. Students who have done this will get to vote for their favourite book and help decide which author is the recipient of this year's Silver Birch award.

This club is open to students in grades 3 to 5. Students who choose to sign up for the club will get to sign out a Silver Birch book each week in addition to their regular library book. They will also be provided with optional activities to help keep track of the books they are reading. The library will be open at least once a week during Nutrition Break for students who want a quiet space to read and/or discuss their books. Alternatively they may choose to read their books at home.

A special thank you to Parent Council for helping to fund books for this reading initiative.

Happy Reading!

-Mrs. MacNamara, Teacher-Librarian

January 23rd: FI Advisory Committee meeting at Bennetto 6:00 p.m.

January 25th: Lunch Lady 2nd nutrition

January 26th: PA Day No School
