Stay tuned for information on Olympic activities coming to EK.

Safe Arrival: The school day begins at 8:50 a.m. It is important to be on time for school and ready to learn. When children are late they miss out on valuable instruction time, as well it is disruptive to the class. If your child is going to absent or late, please remember to call the office. You can leave a message 24 hours a day. The school phone number is 905-528-0223.

Lunches: Lately there have been a lot of children coming to the office with nothing left in their lunches come second nutrition break. Children need lots of healthy snacks to keep their energy up. If your child's lunch bag is coming home empty they could likely use a few extra items.
