

Halloween Parade

On **Wednesday October 31st** the Grades 1 to Grade 5's will be having their Halloween parade **at 2:00 pm**. Please have your child **bring** their costume to school to change into after the second nutrition break at 1:30 pm. The parade will start in the school, go down Dundurn St. and walk to Aberdeen Gardens. **Parents are asked to line the sidewalks along the front of the school, Dundurn Street, and on the Homewood and Stanley Street sidewalks up to the side doors.** If it is raining, then parents will be welcomed into the school for the Halloween parade. If your child is not participating in the parade, alternate activities will be offered.

Please do not send toy weapons or a mask with your child. This is a safety request, since they will need to see properly as they will be walking outside and through the school, up and down the stairs.

Happy Halloween
