EK Library Hobby Contest

The EK Library Hobby Contest is officially done! Five winners (one for each grade) were chosen at random. A huge thank you to all of the families that participated – it was so wonderful and truly inspiring to see all of the creative projects that were made at home. Stay tuned for news on the Silver Birch Reading club for grades 4 and 5, coming in January! – Heather MacNamara, Teacher-Librarian.

Pizza and Milk

To add an order to either pizza (Grades K-5), or milk (Grades 1-5), please contact Danielle at ekmilkpizza@gmail.com, or 289-339-3097.

Inclement Weather

As the winter weather is now upon us, please remember that school inclement weather policies are outlined on the school board website at www.hwdsb.on.ca. Please understand that with the winter weather, busses will likely run behind schedule on some days. You can check the school board website under “transportation” for updates as they come in.

Lost and Found Volunteer

We are looking for a volunteer to help sort through our lost and found bin, to help reunite lost items with their owners. Once per week, items can be checked for names, and then given to the office for their return. Mitts, gloves, shoes and boots can all be matched as well at this time.

On-Call Volunteers

Thank you to all of our volunteers that have helped so far this year! Even with all of the help we have, there are times, due to illness etc., that a volunteer may need to cancel at the last minute, and we would need a replacement. If you live in the area, and would be able to be on our “on-call” list (even if it is for a class other than your child’s), please contact the office at (905) 528-0223. Please remember that a valid police check needs to be on file with the school. If you need to obtain a police check, please go to the following website: <http://www.policesolutions.ca/checks/services/hamilton/index.php>

Choir Practice

Choir practice is every Day 5 during first nutrition break in the gym.

Tennis Balls

We are looking to collect sets of tennis balls to support learning in Phys-Ed class! Please send in any used and/or unused tennis balls to the office. Thank you for your support!
