

To Families Interested in Sage Quest,

Due to this evening's possible poor travelling conditions (freezing rain event), we have made the decision to delay the Sage Quest information session to Thursday evening at 6:00 PM, with registration beginning at 5:45 PM.

My apologies for any inconvenience this may cause. We are looking forward to seeing you at the meeting this Thursday, February 21st.

Your partners in education,
Cindy Gangaram & Steve Oulahen
