Indoor Phys-Ed Shoes

With the wet spring weather here, please send students to school with an extra pair of dry, proper Phys-Ed shoes to change into. It is important to keep everyone safe, and our new gym floor clean and in good repair. Thank you! Mme McColman

Volunteers

We have many class trips and events being planned over the next few months, and we will be needing parent volunteers to help out. Please ensure that you have a current, valid police check on file with the school office, so that you are able to participate. Please visit the following website for information on obtaining your vulnerable sector screening.
