*****Child Safety After School*****

Once children have been released from school, it is extremely important that they DO NOT play in the parking lot or on top of the shed. Children are not to be playing on the snowbanks in the parking lot, or sliding between the cars, as cars are constantly moving during that time. Please discuss this with your child to ensure that they understand how dangerous this is. Thank you.

GROOVE EDGEducation

On Monday, March 4th and Wednesday, March 5th, students will have the opportunity to participate in the GROOVE EDGEducation program: Transforming the way teachers teach and students learn through Groove Experiences for Students (PreK – Gr12 & Higher Education). Teacher Trainings, and the Online/In-class resources for teachers that engage the body, brain & being in multiple subjects throughout the school day.

Beach Wear Day

On Friday, March 8th, we will be celebrating the start of March Break with Beach Wear Day! Hawaiian shirts, shorts, sunglasses, whatever makes you feel like summer!

Active and Sustainable Transportation – Parent Engagement

The committee that is looking at creating a parent engagement (PE) strategy on promoting active and sustainable transportation is holding a FREE workshop for all parents on March 21, 6:30 to 8:30, snacks provided, at the Nicholas Mancini Centre (behind the Cathedral near King and Dundurn). Please see the link below for additional information, and to register for the event.

Parents, you can help get more kids walking and wheeling to and from school in Hamilton. Come out and work with other Hamilton parents and professionals. The PE strategy is for all of Hamilton – Public and Catholic School Boards - so please feel free to also share with any other parents / guardians / teachers in other neighbourhoods / schools who may want to attend to share input.

Indoor Phys-Ed Shoes

With the colder, wet weather here, please send students to school with an extra pair of dry, proper Phys-Ed shoes to change into. It is important to keep everyone safe, and our new gym floor clean and in good repair. Thank you! Mme McColman

Inclement Weather

As the winter weather is now upon us, please remember that school inclement weather policies are outlined on the school board website at www.hwdsb.on.ca. Please understand that with the winter weather, busses will likely run behind schedule on some days. You can check the school board website under “transportation” for updates as they come in.

Annie Rehearsals

Annie rehearsals have started for the grade 3, 4 and 5 cast members. Stay tuned for any updates as they happen.

Volunteers

We have many class trips and events being planned over the next few months, and we will be needing parent volunteers to help out. Please ensure that you have a current, valid police check on file with the school office, so that you are able to participate. Please visit the following website for information on obtaining your vulnerable sector screening.
