Update Email Address

The HWDSB will be launching a new system that will make it easier to report your child's absence the day of or in advance. The *SafeArrival* system will allow you to use it as a mobile app, website or through a toll-free phone number. However, an email address is required to log in to *SafeArrival* and to receive notifications. Therefore, it is important that all email addresses are updated in our system. If you don't have an email address, you will NOT be able to set up the account. We are asking **each parent and/or caregiver who has custody of a student here at Earl Kitchener School to ensure that we have a current and accurate email address.** You can learn more about *SafeArrival* at bit.ly/safearrivalHWDSB. We will be providing more information closer to the launch date.

Kindergarten Registration for 2019/2020 School Year

Kindergarten registration began on Monday, February 4, 2019 for the 2019/2020 school year. Please visit the HWDSB website for on-line registration information, as well as in-person registration details. Please be sure to read all information, to ensure that you have all documentation that is required prior to registering your child.

Indoor Phys-Ed Shoes

With the wet spring weather here, please send students to school with an extra pair of dry, proper Phys-Ed shoes to change into. It is important to keep everyone safe, and our new gym floor clean and in good repair. Thank you! Mme McColman
