Terry Fox Walk 2019

On Thursday September 19 2019, Earl Kitchener will be having its annual Terry Fox walk. We have raised well over \$50,000 at our school. Parents are invited to support staff by supervising students as the walk (grades 1-3) or run (grades 4-5) around the city block. Looking forward to good weather and your support. From Mme Prevec

Safe Student Drop-Off

For the safety of all students, when dropping children off in the morning, parents/caregivers are required to use the designated Kiss-n-Ride area, not the street. If you need to accompany your child to the school, you must park in the designated parking areas on the side streets, and walk the student to the school.

Changes to students end of day pickup/dismissal

If you are planning on picking up your child/children earlier, or if there are different pickup/dismissal arrangements, please utilize your child's agenda by leaving a note in there for the teacher, and the teacher will then advise the office of these changes. By doing this, it will ensure that your child will be all ready to go.

Student Lunches

As the school year is off to a busy start, it is important that all students are well fed, and ready to learn. Please ensure that your student(s) have sufficient food and snacks to carry them through the day. There are two nutrition breaks during the day (10:30am and 12:50pm) which provides our students the times needed for a balanced day. Also please ensure that your student has a refillable water bottle each day.
