Inclement Weather

As the winter weather is now upon us, please remember that school inclement weather policies are outlined on the school board website at www.hwdsb.on.ca. Please understand that with the winter weather, busses will likely run behind schedule on some days. You can check the school board website under “transportation” for updates as they come in.

Also, please remember that it is your choice whether to send your child to school during inclement weather. Should you decide it is not safe to send your child, please be sure to call the school at (905) 528-0223, and leave a message so we know that your child is safe. This line is available for messages 24 hours per day, 7 days per week.

Winter Clothing

With winter here, please ensure that your child is dressed accordingly. **Snow pants, boots, hats, mitts and jackets are essential.** Parents may also want to put extra socks and mitts in your child's backpack for those sloppy days. Also, please ensure that all items are **labelled** with your child's first and last names, as there are many pairs of black snow pants!

Lunch Utensils

As more warm lunches are being packed for school, please ensure that your child has spoons and forks as needed so that they can easily enjoy their food.
