**Monday, February 10<sup>th</sup>:** Lunch Lady (moved from Feb. 6)

**Friday, February 14<sup>th</sup>:** Lunch Lady (moved from Feb. 13)

Formal Friday

### Other .....

Please remember to check the school website on a regular basis for any information on programs or events that may not be listed in the weekly updates.

### **Formal Friday**

On **Friday, February 14**, we will be having our next spirit day, Formal Friday! Students are encouraged to dress their best for the day. Please remember that it is still a regular school day, so please ensure that your child is able to participate in regular activities, such as gym and recess.

### **Student Snacks**

We have had a lot of students coming down to ask for extra snacks over the past few weeks. Please ensure that you pack EXTRA food for your children (especially on bad weather days when they are inside for recess), as we don't always have extra at the school. Also discuss with your children that the snacks are meant to supplement students that have no lunch, or have finished their food.

### **Lunch Utensils**

As more warm lunches are being packed for school, please ensure that your child has a spoon and fork as needed so that they can easily enjoy their food. The school does not have forks, and spoons are very limited.

### **French Immersion Registration Information**

Please visit the Hamilton Wentworth District School Board website at [www.hwdsb.on.ca](http://www.hwdsb.on.ca) for important details regarding registration. Below are some key dates to keep in mind:

February 28, 2020 – Program locations offered to parents/guardians

March 13, 2020 – Deadline for program acceptance and registration

### **Inclement Weather**

As the winter weather is now upon us, please remember that school inclement weather policies are outlined on the school board website at [www.hwdsb.on.ca](http://www.hwdsb.on.ca). Please understand that with the

winter weather, busses will likely run behind schedule on some days. You can check the school board website under “transportation” for updates as they come in.

Also, please remember that it is your choice whether to send your child to school during inclement weather. Should you decide it is not safe to send your child, please be sure to call the school at (905) 528-0223, and leave a message so we know that your child is safe. This line is available for messages 24 hours per day, 7 days per week.
