

EK Milk and Pizza Funds

Reminder

Dear EK Families,

We hope you are staying well and safe during this challenging time.

This is a reminder that with the abbreviated in-person school year, we would like to address the matter of milk and pizza funds paid by many of our EK families. At this time, we are offering a couple of options for these unused funds: (1) the opportunity to make a donation (a lump sum donation will be made on behalf of EK families to Food4Kids and Hamilton Food Share), or; (2) a refund. At your earliest convenience, please contact Danielle at ekmilkpizza@gmail.com or 289-339-3097 to indicate your preference. Please note that unused funds include all funds paid for pizza, milk and cheese beyond March 13th as well as for the strike days that preceded that date. Furthermore, if your family is particularly struggling and could benefit from some financial relief during this difficult time, please reach out as it may be possible to support individual families with some of the donated funds (please note that all requests are confidential).

Please let us know as soon as possible.

Take care and be well,

Earl Kitchener Home & School Association
