

Weekly Update Feb. 1-5, 2021

Attendance

Accurate attendance during remote learning is vital to ensure students are safe and accounted for.

Morning classes start at **8:50am**. If you know your child will be late, or absent for morning attendance, please use our Safe Arrival system to report this on-line, or call the school. This will assist with accurate attendance tracking, as well as avoid unnecessary phone calls going out to families. You can also use the system for early departure, if you know your child will not be on for the afternoon.

All Safe Arrival entries must be submitted prior to **9:20am** to sync with our attendance program. Afternoon attendance is also taken, so please contact the school should your child not be attending in the afternoon.

Phone Calls

Please be aware that office staff are frequently working from home, and calling from their home phones. At these times, the call may show up as “unknown caller”. If you receive a message and need to reply, please call the school, as messages are checked several times per day.

Parent Phone Numbers

Office staff may be reaching out to some families by email over the next while if we are missing phone numbers, or if the numbers we have on file are no longer in service.

Remote Learning Updates

School/Board Updates: If you have not already done so, please subscribe to the HWDSB site. Although updates are posted on the school site, additional information is sometimes posted only on the board website. We are also asking EK families to let other EK families know about subscribing to both sites, so that everyone has access to all updates.

Upcoming Dates

Monday, February 15th: Family Day – no school today
