About Canadian Parents for French Ontario

CPF was founded in 1977 by parents who wanted to ensure that children would have the opportunity to become bilingual in the Canadian school system. Originally a small group of concerned parents who met in Ottawa, CPF has evolved into a proactive national network with 10 Branch offices and some 150 Chapters in communities nationwide.

Mission, Vision, Values, and Official Position Statements

CPF is the national network of volunteers which values French as an integral part of Canada and which is dedicated to the promotion and creation of French-second-language learning opportunities for young Canadians.
