

## Weekly Update - September 20-24, 2021

### **Daily Screening**

Please continue to initial the daily screening calendars that come home (either in their agenda, or in a separate folder) each day with your child. This is an important tool to help ensure our classrooms stay safe, and kids stay in school.

### **Parking During Drop-Off/Pick-Up**

Please ensure that you are **NOT** blocking **ANY** driveways during pick-up and drop-off. Many residents have called the school complaining that they cannot get in and out of their own driveways. Several neighbours have called the city, and parking enforcement will be monitoring and ticketing as needed. Please be respectful, and if necessary, park further away, and walk to the school.

### **📺 Virtual School Council and Home and School Meetings & Elections - Tuesday, September 21, 2021 at 7PM**

Welcome back to the EK Staff, Families, and Students! We hope everyone has had a great start to the school year! 📅👏

All parents are invited to attend the Virtual School Council and Home and School Meetings & Elections on Tuesday, September 21 starting at 7pm via MS TEAMS.

Please email [ekhomeandschool@gmail.com](mailto:ekhomeandschool@gmail.com) (in advance of the meeting) to receive the TEAMS invite/session details to connect (the meeting invite will be sent out later on Tuesday afternoon, prior to the meeting, once set up in the system).

We look forward to connecting with all of you at the meetings!

## **Glass Containers**

Please do not send glass containers (food, water bottles etc.) to school. We have had several of these containers break in the classrooms, which creates a safety hazard.

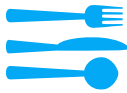

## **Attendance**

Please ensure that your child/ren arrive to school on time. Our morning bell rings at 8:50am, so students should be on the playground by 8:45am. Late arrival can disrupt the start of the class for both your child, as well as the rest of the class. Prompt arrival allows all students to learn the morning routines, and be fully ready to start the day.

Create a check list with your child, and have them help with gathering as many of the items as possible the night before. Have them double check the list before heading out the door. This helps them stay organized, and also teaches them to be responsible for their own belongings.

## **Spoons / Forks**

We do not have forks for students, and are very limited on spoons, so please have all necessary utensils packed for your student each day.
