

Weekly Update March 7-11, 2022

School Updates

Please ensure you go to the EK website, as well as the HWDSB website, and hit the “Subscribe” button so that you will receive notices as they are posted.

School Parking Lot

This is a reminder that the school parking lot is for school staff and school bus use only. It is not to be used by families for drop off and pick up as space is so limited. We do have busses that need to be able to access the lot, and cannot be blocked. We thank you for your co-operation.

March Break

March Break is March 14-18 inclusive. The school will be closed over these dates, so enjoy the time with your family and friends.

Kindergarten Registration

Registration for kindergarten is now open! Children born in 2018 can be registered to start JK in September 2022. Please go to the HWDSB website, and complete the on-line registration. Once the registration is completed, families will be contacted by the school for final documentation.

Daylight Savings Time

Sunday, March 13th is Daylight Savings Time. Turn clocks ahead one hour at 2:00am.

Read-A-Thon

Please remember to bring in your tracking sheets to your teacher. All donations are to be made to <http://www.canadahelps.org/en/dn/70148>, which is on the bottom of the tracking sheet. Please do not send donations to the school. Good Luck with the reading EK!!!

Playground Supervision Hours

Playground supervision begins at **8:35am**. Students are not to be on the playground prior to that time. Playground supervision ends at 3:25pm.

Appointments

Although not always possible, please try to book appointments outside of school hours. Students coming and going add to exposure, and we need to limit this as much as possible.

Indoor Shoes

With the winter weather here, please send in a pair of indoor shoes for your child. These shoes can be left at the school if you wish.

After School Protocols

Just a friendly reminder that once school has been released, students and parents are asked to quickly disperse and not gather on school property. Due to safety concerns, students are not allowed to be climbing the trees on school property.
