Dear Parent / Guardian,

In the case of inclement weather on the morning of a Track and Field practice, please know that there will always be coaches in the school welcoming students into the gym through the gym doors. We don't officially "cancel" practice as we know mornings are busy, and families plan around the practice. If, as a parent, you make the choice to keep your child home due to rainy weather, we understand that as well.

Thank you for your support and understanding,

Breanne McColman and EK Coaches
