

**EARL KITCHENER'S**

---

# **FRIGHT NIGHT**

**Saturday October 29th, 4:30-7PM**

**What is that exactly?**

On Fright Night, Earl Kitchener is transformed into a Spooky Wonderland where you, your family and friends can dress in costumes and take part in all kinds of Halloween fun and games. Here's some of what you can expect:

- Take a walk through the Haunted House... If you dare!
- Have a spooky snack at the Creepy Cafe
- Have your Freaky Photo taken in your costume
- Buy some sweet treats in the Witches' Kitchen
- Bid on fantastic gift baskets in the Silent Auction
- Decorate your own Halloween cookies
- Try your hand at one of the many Halloween Games!

Funds raised at Fright Night help raise funds towards activities and resources at Earl Kitchener related to science and active living. We will also continue our tradition of donating 10% of proceeds to a local school in need.
