

Earl Kitchener Home and School Association Parent Support Library

The Parent Support Library offers resources for families looking for further information regarding behaviours, differences, and childhood in general. These guides can help and support families and provide more information for those looking to broaden their knowledge on all types of topics.

Please contact the school (905) 528-0223 to inquire about the availability of any books, and we will arrange with you a time to come by and pick it up.
