

EARL KITCHENER'S

FRIGHT NIGHT

October 26th 2024

LOOKING FOR NEW LEADERS!

The annual Fright Night event at Earl Kitchener needs a leader for this year. This is a fun event for E.K families and has been an E.K tradition since 1983!

Ideally the leader, or leaders, have students in grade 4 or lower so you can pass on your knowledge to future leaders.

There is a manual with all the info you need to plan & run this event and last year's organizers are ready to help!

You will not be doing this alone, many volunteers will come together to make this event a reality.

Get creative, plan new activities, re-invent the wheel! Have fun with it!
