

WeEKly Update April 28-May 2, 2025

Parking

This is a reminder that the parking lot is for Staff Parking only. This area is NOT for drop off or pick up of students, and students are NOT to be playing in the parking lot. Should you choose to drive your students to school, please park in designated parking spaces only. You may need to park further away, and walk. The bus loading zone in front of the school is also NOT for pick up or drop off. Parking enforcement has once again been notified of these issues, and will be on site and ticketing more frequently.

Please understand that this is becoming an area of great concern, as student safety MUST come before parent convenience.
