September 2018 Newsletter

Parents and School Community:

Welcome Back! We hope you had a safe and happy summer.

Once again we will be forming our School Council. In previous years the Elizabeth Bagshaw School Council has been an integral part of your child's education. The school council has provided an opportunity for parents to have input and assist with significant school directions, the daily nutrition program, special events and fundraising.

We would like to acknowledge the hard work and dedication of the individuals who volunteered their time to contribute to the success of the School Council last year. Nomination forms can be picked up at the school office.

School Cash Online / School Website

Just a reminder to sign up for School Cash Online at hwdsb.schoolcashonline.com to make online payments for items such as trips, milk and TCBY. And don't forget to go to www.hwdsb.on.ca/elizabethbagshaw to view our school website and get the latest news!

Cell Phones

Although cell phones are permitted in the school, students are not to use them during class time. If a student is feeling ill, they must inform their teacher who will then make arrangements with the office to contact home / emergency contacts.

Pediculosis (Head Lice)

The control of pediculosis is a shared responsibility within the community. Please check your child's head for lice regularly and notify the school if you find head lice in your child's hair so a letter can be sent home with the class to have all parents check their children for head lice (the student's name will not be mentioned). If your child has head lice, please administer a treatment recommended by a pharmacist or medical practitioner.

School Agendas

School Agendas are for sale at the main office for \$2.00. This is an important tool to help with communication between you and the classroom teacher.
