June 2020 Year End Newsletter

We made it! The year of 2020 is certainly one we will never forget. We would like to thank our Bagshaw families for all of their efforts during this difficult year.

The HWDSB started emailing report cards on June 25. Report cards are sent as a secure document using SchoolMessenger's email feature. To view the report card, you will need your child's Ontario Education Number (OEN) to verify access. You can find your child's OEN on a previous progress report or report cards. If you are unable to find your OEN, please contact the school.

The school year officially ends on June 26 and emails and voicemails to the school will not be checked between July 1 - August 31. Office hours will begin on August 31 and during that week the school will be open from 9:00 AM - 3:00 PM.

The Minister of Education has announced that all school boards must be prepared for 3 different scenarios in September, depending on the public health situation at the time.

1. Normal school day routine with enhanced public health protocols - Students going to school every day, in classes that reflect standard class size regulations.
2. Modified school day routine - Based on public health advice, an adapted delivery model has been designed to allow for physical distancing and cohorts of students. Under this model, school boards are asked to maintain a limit of 15 students in a typical classroom at one time and adopt timetabling that would allow for students to remain in contact only with their classmates and a single teacher for as much of the school day as possible. This model would require alternate day or alternate week delivery to a segment of the class at one time.
3. At home learning - Should the school closure be extended, or some parents choose not to send their child back to school, school boards need to be prepared to offer remote education. Remote education should be delivered online to the greatest extent possible, including the establishment of minimum expectations for students to have direct contact with their teacher at the same time on a regular basis, also known as synchronous learning. Synchronous learning can be used as part of whole class instruction, in smaller groups of students, and/or in a one-on-one context.

The government is instructing school boards to be prepared with a plan, should it be required, that includes an adapted delivery model, which could include alternate day or alternate week attendance, staggered bell times and recess, and different transportation arrangements, among a variety of other considerations to ensure the safety of students and staff.

School boards will also be required to communicate with parents and students prior to the start of the 2020-21 school year, outlining the safety plan, guidance on health and safety measures and protocols, and any other changes that will be implemented when schools open in September. Please remember to watch for these updates on the HWDSB and Elizabeth Bagshaw websites.

Currently, the first day of school is **Tuesday, September 8** with school starting at 8:50 AM and ending at 3:10 PM. **Please note that all SK students begin on Wednesday, September 9.**

Our Bell Times will remain the same next year with school beginning at 8:50 AM and ending at 3:10 PM. First Nutrition Break is from 10:30 - 11:10 and Second Nutrition Break is from 12:50 - 1:30.

We would like to wish all families a very safe and happy summer and hope to see everyone again in September.
