What is "School Council"?

School councils provide advice to the principal and school board. Every school should have a school council, and members include parents, the principal, a teacher, a student (optional), a non-teaching staff member and a community representative. The majority of members must be parents, and the chair must be a parent. Principals do not vote on school council decisions.

SCHOOL COUNCIL VOTING MEMBER NOMINATION 2020-2021

Council meetings are open to everyone in the community, so you do not have to be a voting member to attend or speak at any of our meetings. There should be at least 4 meetings held in a year. Meeting schedule will be determined at the first council meeting.

Bagshaw Elementary School has not had an active School Council in the last five years. In the last 4 years we have had a very small number of parents who work with the school to help with volunteering and fundraising for the school. As far as we know, this will be the last year Bagshaw will be open as it is slated to be closed in June 2021.

If you are interested in being a voting member of the School Council for Elizabeth Bagshaw please fill out the attached nomination form. You may also self-nominate. Voting members must be a custodial parent/caregiver of a student attending Bagshaw and must commit to attending monthly meetings regularly for the entire school year. HWDSB employees must disclose this in their profile.

If you wish to be a voting member we ask that this be returned to the office by Wednesday, October 14th, 2020.
