HWDSB Foundation

Golfer Registration

Register, sponsor or donate today!

Why support HWDSB Foundation?

Your entrance fee and/or donation for the tournament will assist the Foundation in providing direct financial support to each school in the Hamilton-Wentworth District.

The proceeds from this year's tournament will be used to support the Foundation's School and Student Support programs.

The Student Support Fund assists with basic needs to ensure every student is fed, clothed and ready for their school day. The Fund will help to level the playing field by supporting and funding basic educational needs.

The School Support Fund allows teachers and schools to apply for grants to supplement the cost of equipment, materials and other costs related to regular classroom programs.

We hope you will consider supporting our students by participating as a tournament sponsor. We have various sponsorship packages available in addition to our individual and foursome participation, that can suit any business's budget.

\$1500 per foursome

This includes two T-Deck signs at start hole

Individual Golfer - \$250
