Why support HWDSB Foundation?

Your entrance fee and/or donation for the tournament will assist the Foundation in providing direct financial support to each school in the Hamilton-Wentworth District School Board.

Tournament proceeds support the HWDSB Foundation's programs that support students and schools. This helps realize the Foundation's mission of removing barriers to learning so that all students can reach their full academic potential.

The Student Support Fund assists with basic needs to ensure every student is fed, clothed and ready for their school day. The Fund will help to level the playing field by supporting and funding basic educational needs.

The School Support Fund allows teachers and schools to apply for grants to supplement the cost of equipment, materials and other costs related to regular classroom programs.

We hope you will consider supporting our students by participating as a tournament sponsor. We have various sponsorship packages available in addition to our individual and foursome participation, that can suit any budget.
