September 28, 2022

Dear Franklin Road Families,

Each fall, HWDSB reviews elementary student enrolment in schools, and reorganizes staff and classes if actual enrolment differs from spring projections. It is normal for student enrolment to fluctuate a little. This year, the fall reorganization is more widespread due to many more students returning to in-person learning, as well as the ongoing need to meet provincial class size requirements. We are fortunate that we are retaining all staff members but some classes have changed. See the chart below.

On September 30<sup>th</sup>, several students will receive a letter regarding what the re-organization will mean for them and class placement. Over 50 students will be affected in 9 classrooms. Decisions to move students are made with careful consideration and we endeavor to support students with a successful transition. We understand that changing classes can be unsettling and we apologize for any disruption this may cause and appreciate your understanding.

If students are changing classes, their new teachers will arrange a time between Oct. 3-6 to meet and introduce them to their new classes and classmates. Staff and students will start in their new classes October 7<sup>th</sup>.

As always, our team of dedicated educators will work with you to ensure your child is well cared for and experiences educational success.

If you have any questions, please feel free to contact the school.

Mrs. Del Mastro  
Principal

Mr. Efthimiadis  
Vice Principal
