Dear Frank Panabaker Students and Families,

First and foremost, it has been an honour and a privilege to be part of such a dynamic community. It is with mixed emotions that I am writing to let you know that I will be leaving Frank Panabaker School on Feb. 26<sup>th</sup> to be the Principal of Tiffany Hills Elementary School.

My four and a half years here at ASPS/Frank Panabaker School will always hold a special place in my heart. I will miss the students, the families and the community dearly! The smiles, the special events, the programming, and positive energy that radiates through the halls and classrooms will be missed. I will deeply miss the staff, the hardest working, most passionate and creative group I know.

Anyone who has walked through the two buildings recognizes what a special school we are. By empowering students, staff, family and community leaders to lead with their hearts and voices, we are transforming our school into one of the most engaging, inspiring, and collaborative places to learn, work and play.

Second, it brings me comfort in knowing that Mrs. Caitlin Evans will step into the role of Principal here at Frank Panabaker School. Her leadership and knowledge of the school's vision and goals will continue to support the vital work that still needs to be done to transition the two sites into one while remaining focused on creating a safe, supportive learning environment for all.

And finally, a new Vice Principal will be announced in the near future.

Thank you for the memories, the friendships and the laughs along the way. Go Pumas Go!  
Take care and stay safe.
