

29th ANNUAL ANCASTER COMMUNITY FOOD DRIVE VIRTUAL CAMPAIGN

COVID19 forced restrictions on Social Gatherings and Public Health Guidelines.
It has also placed tremendous increase demands on the
Emergency Food Bank and Community Service Agencies.

As a result, the Ancaster Community Food Drive for this year of 2021
will move to a **virtual and online format**.

Our Campaign, as in past years, will focus on promotion through
various media platforms culminating during the week of
Sunday, February 28 through to Saturday March 6, 2021.
